# ALWI ERDI MUSTHAFA

Frontend Web Developer, UI/UX Design, Product Manager

Jakarta, Indonesia │ 081398955857 │ alwi.erdi4@gmail.com │ https://www.linkedin.com/in/alwierdi

## SUMMARY

I am an active student majoring S1 Computer Science with a focus on Software Engineer at Bina Nusantara University. I am passionate about web development and UI/UX Design. Expertise in JavaScript and modern frameworks such as React. Experienced in applying UI/UX design principles to create responsive and aesthetic interfaces with Figma. Accustomed to working in a team and have good problem-solving skills. I always strive to develop my skills and knowledge in this field through various activities and projects that I am involved in. Looking for opportunities to contribute to innovative and impactful projects in the tech industry.

## PROJECT EXPERIENCE

**Front End Web Developer, BEM SB IPB │ Company Profile**          **September 2023 - November 2023**

- Design and develop responsive and intuitive user interfaces, increasing user satisfaction.
- Implemented a user feedback system for design iterations, which resulted in feature improvements based on user input.
- Using the tailwind css library

**Design UI/UX Web, BEM SB IPB │ Company Profile**          **September 2023 - November 2023**

- Developed interactive prototypes using Figma to provide feedback and speed up the design iteration process.
- Provide a modern design that matches the theme of the BEM SB IPB

## ORGANIZATION EXPERIENCE

**General Treasurer of Majelis Taklim Al Khawarizmi -**          **January 2024 - June 2024**
**Bina Nusantara University**

- Streamline the organization's financial workflow, improving overall efficiency in the reporting process and budget oversight.
- Manage and oversee the organization's activities in the Greater Jakarta, Bekasi, Malang, and Semarang regions, ensuring smooth operations and financial accountability.
- Prepare transparent and accurate financial reports and support better decision-making in the management of the organization.

**Public Relations Eid al-Adha 2023 - Bina Nusantara**          **May 2023 - June 2023**
**University**

- Organize and distribute tickets to eligible beneficiaries, ensuring an efficient and transparent process.
- Contact and coordinate with qurban animal slaughterers to ensure a smooth slaughtering process and meat distribution.
- Create and send out broadcasts to event volunteers, providing important information and updates regarding their responsibilities.
- Organize briefing sessions for volunteers, ensuring all members understand their roles and duties during the event.

## VOLUNTEER EXPERIENCE

**Pentingnya Menghargai Sesama Untuk Indonesia Yang**          December 2022 - February 2023
**Bersatu Dan Bebas Dari Isu Rasisme dan SARA**
Location: Car Free Day - Sarinah, Jakarta.

- Delivered materials on the impact of racism and bullying to participants, raising awareness on the importance of respecting differences.
- Appeals to refrain from racist acts and maintain bonds between people, strengthening the values of tolerance within the community.
- Build relationships with community members in the Car Free Day area, encouraging active participation in creating a safe and inclusive environment.

**Memperkenalkan Beberapa Budaya Sunda yang Hampir Hilang**          April 2023 - July 2023
**karena Globalisasi**
Location: Griya Yatim & Dhuafa, Jakarta.

- Delivered material on globalization and its impact on local culture, with a focus on Sundanese culture which is increasingly marginalized.
- Introducing various aspects of Sundanese culture that are almost lost, such as language, arts, and traditions, to maintain cultural heritage in the midst of globalization.

**Menghindari Fanatisme Beragama: Mengapa Toleransi Penting**          November 2023 - January 2024
Location: SD Negeri Kebon Jeruk 08, Jakarta.

- Providing material on the importance of tolerance and the impact of intolerance to students, increasing their understanding of the values of diversity.
- Encourage students to appreciate differences and build mutual respect within their community.
- Organize group discussions to explore issues of intolerance, encouraging students to share their views and experiences.
